Welcome Back!

Briefing Slides for Release of O-Level Results

Dear students,

As we gather here today, let us
all celebrate our efforts!

*Finally, we are going to
get our results!*

Think about your opportunities

*Are we all going to
be okay?*

Remember that **everyone's learning journey is different**
but **we can each have a fulfilling outcome!**

No matter the circumstances, there is always a way forward.

Stop

- Calm yourself down. Take a few deep breaths.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the **O-Level is one part of your life journey and not the destination.**

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

Reaching out for help is a sign of strength, not weakness.

*Is there
someone we
can speak with?*

If you have any concerns or are not coping, do reach out to someone you trust and speak with them. It could be a parent/guardian, teacher, School Counsellor or a friend that you can talk to.

Thinking about your next step?

Here are some resources to help you make informed decisions
